

OLMC Preschool Bathroom Readiness Policy

In the best interest of the children, the preschool/pre-kindergarten has adopted a policy regarding bathroom accidents and children being fully, independently potty trained. Due to our licensing through the state of Arizona, students must be **fully** potty trained to attend OLMC Preschool/Pre-kindergarten classes. To be fully potty trained means; not having consistent accidents. Both programs expect parent cooperation with their child's bathroom readiness. Pull-ups are not allowed in either program.

Children become frustrated and challenged with usage of the bathroom. Sometimes children are just not emotionally or physically mature in regards to using the bathroom independently. With the implementation of this policy the preschool/pre-k staff wants to alleviate bathroom accidents and have outlined the following expectations:

Expectation of the Child:

- The ability to tell a teacher when they need to use the bathroom.
- The ability to pull their underwear and other clothing up and down when using the bathroom.
- The ability to wipe themselves.
- Proper bathroom usage.

In the event of a student having 4 or more accidents within a 30 day period, an action plan will be put into place to determine the child's readiness for our program. The preschool reserves the right to withdraw the student from the program if the child is not demonstrating that he/she is fully potty trained.

I acknowledge that I have read and understand the OLMC Preschool/Pre-kindergarten Bathroom Readiness Policy.
